OUR AMERICUS LETTER. Model Farm - What has been done by On Man in the Way of Farming.

tial proofs of this. And I don't know of a bet- one of our most energetic business men. ter or more complete illustration of this fact, any where in this section of country, than is the newspapers, and I did not call upon him first. yesterday for that purpose; but his light will be of much more use in the candle-stick than under the bushel Mr. B. came to this country and settled upon his present farm in the spring of 1856, with but a few dollars, in his pocket. Now he has one of the most valuable farms in this county, and a much larger personal property. I think it doubtful about his being able to give the number of cattle he owns. He mentioned fifty head of mileh cows upon his place, besides his "young stock," He has between Toledo and Emporia, on Sunday last, also a large number of horses. Some of his a pair of new Fur Gloves. Will suitably rules for "making the farm pay" are worth reward the finder. passing around. He never sells any corn, and

grinds all his feed-corn, wheat and oats-and stock-raising profitable. A flock of sheep formerly owned by him produced double the smount of wool per head under such feeding that they since have under different management. He feeds all his grain to his stockgrinds corn and oats, and corn and wheat together.

He already has one field of corn planted, and cheap. Price, \$750. was preparing to plant the balance of his crop this week-the first week in April. He told me his corn crop two years ago amounted to seventy-five bushels per acre, all around. Mr. Best commenced planting an orchard ten years ago. He has now upwards of one hundred bearing apple trees, and five hundred large peach trees, besides an abundance of pear, quince, grape, etc. His orchard now fur-

the first spring days to fix up about their he never had any doubt but that Kansas was postage stamps, and some accounts—between Dealer in Hardware, (near the Court House,) places. Tree planting is going on extensively. a No. 1 fruit country. All his apples were Emporia and my residence. The finder will be shown one tree, ten years old, and full nine inches through the trunk, from winch over ten bushels of apples were gathered last fall. Said his Yellow belieflower and Maiden Blush apples were large and very fine. He has four acres Why don't some of our lime burners supply of ground planted with peach trees for another orchard.

Thirteen drops of rain to the acre fell here repeat, are worth more to demonstrate the ad- and see my stock. vantages of our young State, than all the scribbling imaginable.

Mrs. Best was just receiving \$15 worth of flower seeds and bulbs from Vick's Rochester Garden, and was fitting up a nice garden. But I must get back into town and see what going on there.

D. A. Stabl has got his goods on, and opened up in Goddard's store room, and exhibits as ly Winesaps, and were in good condition and select a stock as is to be found in these parts. Newman & Houghton a large dealers from the country. They are also finely flavored. They would have made J. M. Though a stranger in our place, he bears the fresh stock of groceries.
